

As we enter Q3'2024, bold@hyve would like to recognize two profound and pivotal moments within Black culture worldwide. bold@hyve will have events and initiatives that we hope will foster a sense of belonging, give a voice to the Black community within Hyve, as well as promote awareness and understanding within our organization. These events are designed for all of us to celebrate, reflect, and honor the freedoms we enjoy today.

We will commemorate the following moments in history: **Juneteenth** and **Nelson Mandela Day**. These events are to remind us of the resilience, courage, and triumph of the human spirit in the face of oppression and injustice.

1. **Juneteenth** observed on June 19th, commemorates the 1865 emancipation of 250,000 enslaved African Americans in Galveston, TX. It serves as a poignant reminder of the ongoing fight for freedom, equality, and justice. As we celebrate Juneteenth, let us honor the sacrifices of those who came before us and recommit ourselves to the pursuit of a more just and equitable society. 2. **Nelson Mandela Day** is celebrated on July 18th. Nelson Mandela dedicated his life to fighting against racial oppression and injustice in South Africa and around the world. He spent 27 years in prison for his activism before eventually leading his country to democracy as its first black president. This day pays tribute to his extraordinary life and legacy. He is a beacon of hope and inspiration for people around the world. Mandela's unwavering dedication to justice, reconciliation, and human rights serves as a guiding light for our collective efforts to create a better world for future generations.
